Central Intelligence Agency
Office of the Deputy Director for Intelligence

24 December 1984

NOTE TO: Chief, ACIS
NIO/USSR
NIO/SP
Director, SOVA

SUBJECT: Director's Letters on Arms Control

Just a note to let you and others involved know that I thought the letters sent to the President were of exceptional quality and sophistication. I was unable to keep pace with the process on Friday and therefore read the final versions fairly freshly. I found them both thoughtful and provocative. There is so much in them that they merit (and I hope will get) a very careful reading.

As the arms control process resumes, I think you have helped the Director make an initial contribution of great quality and balance.
Nice work!

Robert M. Gates
